Search by letters of Rav's name

After choosing the required language, press * to search by letters of the Rav's name by using the gematria of first letter of family name such as 1 for Aleph, 20 for Kaf, 300 for Shin.

Direct access to Rav's shiurim

You can reach any Rav by a special access code, by pressing *7 and the code (which you can hear when dialing 28 during the shiur).

Torah Bank

Personal database in which you can record live/conference calls and save shiurim, songs and events, and share with others.

Press ** to enter or direct call 073-2951222

Alert call subscriptions

By pressing # at the entry to a folder with shiurim (or pressing 20 while hearing a shiur) you can choose:

1. Subscription for this folder
2. For all shiurim by this Rav (all folders)

You may return to this folder by pressing # on the main menu and then bookmark (2) or on the direct line for subscriptions 073-2951555 with each new shiur you will receive an alert call from this number.

When dialing this number after an alert call, you can:

1. listen to the new shiur
2. listen to shiurim, manage and cancel a subscription by folder (*)
3. delete the list of new shiurim

(*) to listen to shiurim and manage the subscription by folder one can:

1. hear the shiurim on the folder
2. Manage the subscription and change the following definitions:

Temporary pause of subscription 1

Change the hour you start to receive alert calls 2

Change the hour at which you end to receive alert calls 3

(default of alert calls is 8 am to 22:00 pm)

3. cancel and delete subscription.

Quick access to a shiur/folder by ID number

On the main menu, you can dial *# and serial number of the shiur or folder, and # to end
(the ID number can be heard by pressing 28 during the shiur)

Bookmarks and back to last shiur

Return to the place of the last shiur you heard by pressing # (bookmark) on the main menu, or save a bookmark to a place in the middle of a shiur by pressing 20.

Live shiurim

To hear the live shiurim press * (star)

During a live shiur one may press:

1. To hear the ID number of a shiur
(at the end of the broadcast you can hear at any time on the main menu by pressing *# and ID number)
2. Hearing the title
3. receiving the shiur by email at the end of the shiur
0. exit

Instructions for receiving shiurim by email

To receive by email, send an email to: mp3@kolhl.com and write in the subject line the word subscribe (leave space) your phone number without a colon - (overseas numbers must include the area code without a 0) e.g. "subscribe 18451111111"

You can subscribe with a few phone numbers from the same email address (send a separate email for each phone number from that email address). Press 26 during a shiur (on live shiurim - 6) to receive it by mail.
